

CITY OF TOLNA

PO Box 26
Tolna, ND 58380

The Tolna City Council regular monthly meeting was held January 11, 2010. All members were present.

Minutes were read and approved of December, 2009 meeting.

The Henningsgard lot was discussed. The motion made in December left the city no access for possible future development. After options were discussed, Delores Clute rescinded said motion and made a new motion to vacate Marjorie Street north of Winter Avenue. Purchase price to be \$7,500.00 plus all costs arising from street vacate, surveying and legal costs. Jeremy Gronaas second the motion. Motion carried by a unanimous vote. An Option to Purchase agreement sent by Prairie View Lodge was reviewed and discussed. The wording of the option being that Prairie View Lodge would pay for certain legal costs up to \$500.00 were questioned. The price of \$7,500.00 plus all costs was the motion made by the council.

A letter and copy of December minutes will be sent to Prairie View Lodge stating the motion made in December had been changed to vacate only one street and the undetermined costs will be the responsibility of Prairie View Lodge.
